Please look this over. Some issues will cover TWO general meetings. Articles about upcoming events will have to be included far ahead. For example, the Jan. issue will need to include the speakers for both Jan. and March. Yikes.

\*\* Articles must be submitted in finished paragraph form. I will proofread and arrange content to fit the available space, including shortening by combining ideas, removing redundant material, etc. There will be times an item cannot be included due to space limitations, but time sensitive information gets priority.
